

torts cases and materials pdf

A tort, in common law jurisdictions, is a civil wrong that causes a claimant to suffer loss or harm resulting in legal liability for the person who commits the tortious act.

Tort - Wikipedia

A mass tort is a civil action involving numerous plaintiffs against one or a few defendants in state or federal court. The lawsuits arise out of the defendants causing numerous injuries through the same or similar act of harm, for example, a prescription drug, a medical device, a defective product, a train accident, a plane crash, pollution, or ...

By Isara Lovanich. 1. Introduction. Under the law of torts, there are state of damage and state of compensation. As per such consideration, before granting damages one act must firstly qualify as a state of damage or so called "tortious act". Otherwise, the state of compensation may be applied in order to grant damages only where specially ...
