Public baths originated from a communal need for cleanliness at a time when most people did not have access to private bathing facilities. The term "public" is not completely accurate, as some types of public baths are restricted depending on membership, gender, religious affiliation, or other reasons.

### **Public bathing - Wikipedia**

Bathing is the washing of the body with a liquid, usually water or an aqueous solution, or the immersion of the body in water. It may be practiced for personal hygiene, religious ritual or therapeutic purposes.
