

### **translating for singing the pdf**

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this ...

We all do it some or other time in our lives. Reading into a verse of the Bible, a meaning that does not exist in

that verse at all. Of course, many times we do not mean to do it, but it happens because most of the time we are not well equipped to study the and interpret the Bible properly.
