I'll pause right here. For me, and for most supporters of gun rights, however inartfully they may put it, this is the core issue. To have an honest discussion of what's at stake when we talk about "gun rights," "gun control," etc., everyone has to know, and acknowledge, his/her position on this fundamental political principle.

"It is with the submarine that the initiative and full freedom of the seas rests. The aircraft carrier, whatever realistic scenario of action is drawn--that of operations in great waters or of amphibious support close to shore--will be exposed to a wider range of threat than the submarine must face.
