There's little mention in the mainstream media these days, of traditional foods having healing properties.
Sure, there's a ton of hype touting unfermented soy products, vegetable oils and supplements as modern
saviors, but in reality, these items have risk-to-benefit ratios like many drugs do (1).

Table 2, based on the Army's 77 BCT program, shows the changes in terms of Army battalions. The Army's
decision to increase the number of maneuver companies in its modular heavy BCT battalions from three to
four makes it necessary to consider the number of combat maneuver companies as well as the number of
battalions.
