â€œThe Way of the Masterâ€™™ is a fresh new television program that grabs your attention from the opening scene and sustains it throughout the entire program. The interviews with people on the street are a vivid revelation of the terrible need people have for the Christ of the gospel. I was encouraged and motivated, and you will be too.

The water in the reservoirs has little chance of passing through rocks and to dissolve the minerals that make water hard. Therefore, the majority of water in this region is soft or very soft. We supply water from a number of boreholes in the south of the region that are reasonably hard, but these tend to be blended with softer sources to meet demand. No water
