presidents wield prerogative power but also why the attempts at interbranch collaborative decision making, through the passage of framework legislation such as the War Powers Resolution of 1973, the Budget and Impoundment Act of 1974, and the Intelligence Oversight

### **Why Do Presidents Fail? - University at Buffalo**

The vice president has specific responsibilities depending on the needs of his or her organization. Therefore, the job responsibilities of a VP can vary greatly from organization to organization.

### **What Does a Vice President Do, and Who Do They Manage?**

presidential rule through executive orders and national emergencies. Unfortunately, the Constitution defines presidential powers very generally; and nowhere does it define, much less limit, the power of a president to rule by executive order—except by reference to that general language and the larger structure and function of the Constitution. The issue is especially acute when presidents ...

### **Executive Orders and National Emergencies: How Presidents**

In summary, President Trump seems to me to be one of the best American presidents I've ever seen. On the personal level, he is, of course, pretty repulsive. If he consorted with a porn star, that's not a problem, who gives a shit, but making fun of handicapped people is bad behavior.

What the President Could Do If He Declares a State of Emergency. From seizing control of the internet to declaring martial law, President Trump may legally do all kinds of extraordinary things.

### **What Can a President Do During a State of Emergency? - The**

Key Point: "Presidential power is the power to persuade." (11) Presidents are expected to do much more than their authority allows them to do. Persuasion and bargaining are the means that presidents use to influence policy. Not only do presidents need to bargain to influence other branches of government (particularly Congress), but presidents ...

### **Summary of Neustadt: Presidential power - WikiSum**

The President of the United States (POTUS) is the head of state and head of government of the United States of America. The president directs the executive branch of the federal government and is the commander-in-chief of the United States Armed Forces .
