History. The Tribal College movement grew out of the American Indian "self-determination" movement of the 1960s. Tribal colleges are located on or near Indian reservations and provide access to post-secondary education, accredited degrees, and vocational training for both Indian and non-Indian students.

Dances teach social patterns and values and help people work, mature, praise or criticize members of the community while celebrating festivals and funerals, competing, reciting history, proverbs and poetry; and to encounter gods. African dances are largely participatory, with spectators being part of the performance.
